

Everyone,

In the past weeks we have done considerable research on the health of Adirondack Lake and the history of the Lake Adirondack Aquatic Weed Control District back to its creation in 1982 by the Indian Lake Town Board.

Meanwhile, we have found three internet sites that we think everyone might find interesting:

1.

[http://www.adkwatershed.org/sites/default/files/alap\\_2017\\_report.pdf](http://www.adkwatershed.org/sites/default/files/alap_2017_report.pdf)

This is a recently released report (2017) is a collaboration between Paul Smith's College and the Adirondack Watershed Institute and Protect the Adirondacks. It covers some 66 lakes in the Adirondacks, including Adirondack Lake on page 86.

2.

<http://www.dec.ny.gov/animals/48221.html/>

From the New York State DEC on how to prevent the spread of invasive aquatic species.

3.

<http://www.hamiltoncountyswcd.com/>

Hamilton County Soil and Water Conservation District (HCSWCD) with info on water monitoring, invasive species, (aquatic and land), erosion, and many other topics of interest to people living in the park.

We are continuing to work on the concerns raised at the February meeting and will keep everyone updated as we go along.

Shari Rowe

Rita Rozboril

TOWN OF INDIAN LAKE  
P.O. Box 730, 117 Pelon Rd  
Indian Lake, Hamilton County  
New York 12842
