

A TOWN BOARD MEETING was held on July 10, 2023 at 7:00 p.m. The location was the Town Hall, Pelon Road, Town of Indian Lake, County of Hamilton, State of New York.

Supervisor Wells opened the meeting. All said the Pledge of Allegiance. Supervisor Wells called for the Roll with the following Board Members answering:

Roll Call: Councilman Mahoney	Here
Councilwoman Eldridge	Here
Councilman Curry	Absent
Councilman Rathbun	Here
Supervisor Wells	Here

Minutes

Councilman Rathbun made a motion to accept the minutes of 6/12/2023 as presented. Seconded by Councilwoman Eldridge.

Roll Call: Councilman Mahoney	Aye
Councilwoman Eldridge	Aye
Councilman Rathbun	Aye
Supervisor Wells	Aye

Military Flag Proposal

Elizabeth Cannan and Vicky Marques approached the Board with a proposal to hang Military Flags on the utility poles. Elizabeth stated that they would be holding numerous fund raisers to purchase the flags. She stated the biggest question is the poles, who do they contact and who gets them approved. Supervisor Wells told Elizabeth to get a list of the pole numbers and we will turn them in. He explained this is a long process and there are some poles they will not allow any flags on. He stated flags are covered under Town Insurance. Vicky stated that they had a list of the pole numbers already. She also asked if they could use the aluminum poles. Supervisor Wells stated National Grid will not allow that. Vicki asked who owns the poles, Town or National Grid, Supervisor Wells explained to her that they are owned by National Grid. Discussion was held on how they would handle putting the flags up and where the flags can go. They stated that it would be a first come first serve basis in the beginning. Vicki also stated they are considering having them up from Memorial Day to Veterans Day on a two-year cycle. Meaning, first flags, will be up for two years, after that the next group will go up for the next two years. Discussion was held on the number of flags the Town already has that need to be put up throughout the years. Councilman Mahoney asked how many veterans or families have signed up. Vicki stated they did not have a number yet as to how many people may be interested in participating. Liz stated that to purchase a flag the veteran or family must have ties to Indian Lake. The Military Flag proposal is attached herein. Supervisor Wells stated that the banners need to be the same size and have the same brackets as the flags that are hanging now. Supervisor Wells also stated the Highway would need to be contacted as that is the department who would be using their equipment and manpower to put the flags up and take them down. The Town Board unanimously approved letting Liz and Vicky move forward with this project. Supervisor Wells reiterated that this could take some time getting permitted through National Grid.

Public Comments and Concerns

Brenda Valentine approached the Board stating that 25 plus people are actively helping to revitalize the Town. She stated they are working on many projects to upgrade the way we look. They are taking a look at the businesses on main street and if a business would like to change the way they look and make their business more appealing, they will help them. One group is looking into taking wooden paddles and making directional signs out of them. Another is looking into doing a survey of the businesses and asking them what their needs are. She reported to all one of their activities is "Ribs for Sibs a benefit for the Hamilton Revitalization Project. This will be held at the Chef Darrell's Mt. Diner on August 5th 1:00 pm – 5:00 pm. SIBS stands for "Sabael, Indian Lake and Blue Mt. Lake" as they are all in the Hamlet of Indian Lake. Connie Sahler approached the Board telling all about the Paddle Sign Project. Discussion held on how the new Paddle signs could work and if there were any Planning or Zoning Rules concerning these as they will have business names on them and where they could be placed. She told all present the Paddles were donated by the Indian Lake Marina. She stated that they also donated canoes as part of an art project. She would like to see the Town utilize these pieces as art with the Town Logo and brighten up and add color to the Town. She stated this is in the early stages and more would be coming. Connie Sahler approached the Board concerning the bathrooms in Blue Mt. She stated that people are actually stopping at a private residence and using his porta pottie. She stated that due to beaches only being

open every other day the bathrooms are not open. Bill LaPrairie, Department Head of Buildings and Grounds stated those bathrooms are open every day whether the beach is open or not. They are open all the time. Supervisor Wells stated that at one time we had worked with Philip Joyce's bathrooms at the store in Blue Mt. and if the new owner would like to open them up the Town would offer the same services to him.

Department Head/Public Comments and Concerns

Bill Laprairie, Department Head of Buildings and Grounds, approached the Board asking if the Town Van was going to be used all summer by the Youth Program? Supervisor Wells stated that this is a needed service, and he is hoping to use it more and it's a good emergency vehicle. Bill stated that since that was used by 2 of his employees can he get permission to start looking for another truck for their use? Supervisor Wells told him to check his budget and start looking. Councilman Rathbun stated maybe he could find a used one. Supervisor Wells stated that the requisition prices and procurement policy and having to go out to bid this would be difficult to work through.

Digital Towpath

Supervisor Wells reported to all that the Digital Towpath Web site will no longer be used by the Board, people should be using indianlakeadk.com, it is unclear if the Digital Towpath website for Indian Lake will be taken down.

Vector One I. T. Solutions

Supervisor Wells stated the Board had their packets concerning Vector One I.T. Solutions. He reported to all due to all the hacking and viruses our Insurance Company is strongly suggesting that we get a protected web site. This protects us from ransom sites and numerous other viruses. Supervisor Wells tabled this until the next meeting. Jack Valentine questioned will this company guarantee no one will hack into our system? Will our insurance now cover the loss? Supervisor Wells stated my understanding is that the insurance company has many requirements that Vector One IT Solutions would have to meet in order for them to be okayed to provide the service. Pamela Howard asked if it would cover all of the "important" computers that contain sensitive information? Supervisor Wells stated that yes, it would cover those computers.

Data Collector Position

Supervisor Wells stated we advertised for a part-time data collector position, we need to gather information for a re-evaluation of the town, it's been 7 or 8 years since we've had one. We received one application; our assessor Lynn Billings has been asked to conduct an interview with the applicant to see if they qualify to meet the requirements (gathering data in the field) of the position. New York State used to offer a rolling program that allowed for a 7-year cycle for re-evaluations, but the state no longer does that. Hamilton County Real Property/ Barry Baker offered a cost per lot price, which would have started at over \$100,000, we would still have had to do a lot of the work.

Resolution 13- Lake Adirondack Dam Repair

Supervisor Wells stated we are working on the Adirondack Dam, it has taken a very long time, covid supply issues, manpower, State Agencies. Adirondack Explorer has written huge articles pointing the finger at the towns, a lot of the time its not the towns choice to not complete the work.

*to complement 2.5 million dollar funding committed to the town.

Supervisor Wells made a motion to approve Resolution 13 – WQIP (Water Quality Improvement Project Program) Adirondack Lake Dam. Seconded by Councilman Rathbun

Roll Call:	Councilman Rathbun	Aye
	Councilman Mahoney	Aye
	Councilwoman Eldridge	Aye
Supervisor Wells	Aye	

Supervisor Comments

Beaches-

Supervisor Wells stated we are extremely frustrated - we have had many issues with the beaches and lifeguards this year. We are very fortunate that our senior lifeguard decided to return this year, without her and our junior lifeguards (one who worked with us last year and one new) who work with her - **we could NOT OPEN OUR BEACHES!** We were open for 3 or 4 days and we had complaints every single day, absolutely ridiculous.

NYS DEC/ Campgrounds – we fought to help keep them open, one of their main problems was a lack of manpower, particularly with lifeguard staffing. They do NOT operate under the Department of Health regulations!

We DO fall under the Department of Health – we get a yearly permit to open Chain Lakes Beach in Indian Lake and Blue Mountain Beach in Blue Mountain Lake. The Department of Health was given statutory authority by Public Health Law to oversee these beaches. In the past when we have had to close the beaches on alternating days (as we are doing this year), the DOH showed up to Blue Mountain Beach and found it full of people, Supervisor Wells was told to go up and make people leave or face possible fines to the town, our beaches are a level 2 B with Supervision, this is determined by the DOH, by the size, slope, conditions etc. We have required signage which must meet certain specifications and the signs must remain posted. Supervisor Wells asked Councilman Rathbun about a call he received about signage at the Beach. Councilman Rathbun stated, people wanted to use the beach before 11 am, the lifeguards explained that the beach does not open until 11, they asked where the signs were stating that, the signs were posted around the corner. Bill LaPrairie, Department Head of Buildings and Grounds stated the signs need to be on the building, next to the Rules sign, by the office door so that it is visible from the road and as you walk to the beach. The beach is NOT open at 10 am, that is when the lifeguards start their shift they have things they need to do before the water opens. The water opens at 11 am, there are no flotation devices allowed, there is no fishing allowed. Our lifeguards are kids, with a very responsible job, lets show them our support and not make their jobs more difficult.

Fishing Derby – The Indian Lake/ Blue Mountain Fish and Game Club Fishing Derby on July 1 was a great success. Christine Pouch, EDME received a terrific note stating, “Thank you for letting me fish!”

Durant Campgrounds is still closing early but keep reaching out to the Senate and Assembly and letting them know you would like it to remain open longer. Lewey Lake and Moffitt Beach will stay open until Columbus Day this year.

Letters have been sent to Senator Krueger, chair of the Finance Committee to please make the funds available to us that were promised, and we have been waiting for - 6 years on funding for the Adirondack Lake Dam and 7 years on funding for the Townsends Property.

We passed our SPDES compliance inspection at the Town of Indian Lake Wastewater Treatment Plant.

Work continues on the rafting agreement; the Rafting committee is now reviewing the contract.

There are too many people using illegal fireworks, Hamilton County allows for the sale of NYS legal fireworks, these are sparklers, confetti poppers, smoke devices. People are using far larger fireworks. There is not a lot of support at the County however in dealing with the fireworks issue, even though 12 counties have banned the sale and use of them.

Other Town Business

Bob Marriott, Chamber of Commerce Executive Director, stated that the Chamber/ Town of Indian Lake contract does not state that the town pays for the heat and lights at the Indian Lake Welcome Center and would like an amendment to the proposed contract stating that they would.

Councilman Mahoney asked Patrick Mahoney, Water Department about the actuator on Abanakee Dam, there is an upcoming meeting with an electrician and an actuator Specialist and hopefully the problem will be resolved.

Councilwoman Eldridge asked Christine Pouch, EDME, if it would be possible to post the beach days and hours on the Town of Indian Lake Facebook Page, pinned at the top so it is easy for people to find. Christine said that she would post the days and hours on all sources.

Councilman Rathbun has been working on the Adopt the Highway Program, see attached for details.

Monthly Report for building maintenance and operations department, June 2023

During the month of June, we have mowed all over our town properties twice, including the transfer station, shooting range, and all cemeteries. The new mower we ordered from H and M equipment arrived just in time as one of our older tractors went down with hydraulic issues, we made repairs to the unit and will continue to use this as a spare lawnmower as needed. We did our first mowing of the bike trails across the slopes, we have noticed the trails being used primarily on the weekends.

We have had both burials and cremations this month at the Catholic and Cedar River cemeteries and are aware we have three more coming up all in the Cedar between now and August.

We have spent a good amount of time out on the lake taking care of bogs, we have successfully pushed four large bogs back into the corral and we are still working on smaller ones as we get the time. We still have a Large bog under water in Ernie cove that we will continue to work on.

This was our easy year for the black fly challenge, it started in Indian Lake and ended in inlet, We put up signs, barricades, and a few cones, and sent them on their merry way, and we cleaned up when the event was over.

The generator at the health center is being replaced and we have disconnected the unit and are waiting for Adirondack generator to get here and do the install, the site has been prepped and concrete poured for the new unit.

Little League season came to an end and we tilled the field in preparation for next year and we received thank you cards from both teams. At some point in time we need to get a load of clay to redo the base lines.

The middle of this month we put the beaches in and set everything up for the season. Both beaches will be closed one day a week because of staffing issues, and we have taken the necessary steps to close the beaches on those days.

Last month we talked about the Town trash pick up day, which was done on the sixth and seventh of this month, It took two full days to get everything and everyone.

Thank you
Bill LaPrairie
Dept head building maintenance and operations

Town of Indian Lake water and wastewater report for June 2023

DOH and DEC samples were submitted to the lab. Raw water samples were also submitted as part of the pilot study for Blue Mt.

Testing at all plants was done daily.

Hydrants in both districts were weedwacked.

The pressure reducing valve in Blue Mt. had to be rebuilt by Ross valve.

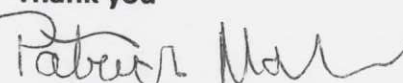

We cleaned out the backwash holding tank at the water plant and had the sludge hauled to the drying bed at the wastewater plant.

One of the actuators on Abanakee dam is not working. We finally have an electrician coming on the 12th to hopefully figure out its problem.

I have started the the lead service line inventory for Indian Lake. This is a requirement passed down from DOH.

We had our annual DEC inspection at the wastewater plant. Everything seemed to go well.

With the help of the Highway Dept. we blacktopped our water line repair spot in Blue Mt. It took about 6 tons of hot mix.

Thank you

Patrick Mahoney

June 2023
Mechanics Report

- 1) Fixed Front tire on 188
- 2) worked on turbo + exhaust for 186
- 3) worked on wiper problem for 188
- 4) Helped on Junk Days
- 5) Fixed broken wheel on TC45 brush hog mower
- 6) worked on headlights for 186
- 7) Retorque front tires for 186
- 8) Service done on 191 fuel truck
- 9) Rebuilt front broom for 3320 tractor
- 10) Put blades and serviced offset mower for 5085 tractor
- 11) Putting master switch on 186
- 12) Installed transmission covers on 194

Highway Report
July 2023

Ditching is just about done in Blue Mt. with all roads done and rip rap put in place on steep slopes. Material continues to be hauled for Town + County projects

Roadside mowing is now being done in the village of Indian Lake.

Trees have been cleaned out of roads and culverts checked with the latest rain and wind storms.

Chain Lakes Road was graded where the chatter had started to make the road rough.

Trucks have assisted Hamilton County and other Towns with their Blacktopping.

The highway dept assisted ~~with~~ the ~~patching~~ the Water Dept with a state road patch in Blue Mt.

Jennie Roblee

**July 10, 2023, Town of Indian Lake
Board Meeting
Economic Development, Marketing & Events Report**

Community/Economic Development/Events

DEC Campground Closures – When the DEC announced the early closures, we sprang into action by collecting research to support the early closures would be a determinant to Indian/Blue Mountain Lake businesses/tourism. Our research was requested by Senator Mark Walczk’s office and presented in a letter they sent to DEC Commissioner Seggos. DEC decided to extend the seasons at Moffitt and Lewey Lake campgrounds. Lake Durant will still close on September 4.

Main Street America (MSA) Committee –

The Promotion group met on 7/5/23 and will begin branding the volunteer efforts using the new logo design. The first fundraiser RIBS FOR SIB will be on Saturday, August 5 at Chef Darrell’s Mountain Diner. Details are being finalized and promotion will begin soon. The first of three training ZOOM calls are scheduled on July 6, 13 and 20 at 6PM.

NYSERDA Clean Energy Update – We FINALLY received three rebates for LED lighting changeover for \$1509 which represented the library (\$1113) Highway Dept (\$196) and Byron Park (\$200) switchover. There is one remaining rebate for \$216 for the Ski Hut.

2024 Solar Eclipse Focus Group – A meeting to discuss possible events will be scheduled in July.

Black Fly Challenge was a success. The Committee has donated \$800 to ILVAC, ILVFD \$500, BMLVAC \$500. ILCS Senior Gabe Stanton received a \$500 scholarship for college. Plans for next year’s event will begin on 7/20/23. (Yes, that’s in 2 weeks)

90 Miler Canoe Classic will be landing in Blue Mountain Lake at the beach on Friday, September 8. The Town will be supporting this event by providing tents, cones, road closure barricades, porta potties and staff to help with garbage, crowd control and possible shuttle services.

Rustic Street Fair in Blue Mountain Lake will be held September 8 to 10. Potential vendors looking for booth space are being directed to homeowners in Blue.

Adirondack Antiques September 13-17 – I have been receiving calls (8) from new vendors looking for rental space. My goal is to fill all interested homeowners’ space and invite food vendors to the school lawn, with their permission.

Independence Day – Despite the weather, the attendance at the parade was great. We had 13 floats register and others just showed up. 1st Place (\$75) McSweeney’s Irish Pub; 2nd Place Teresa Benton & Family (\$50); and 3rd Place Pine’s Country Store. The rain kept many away from the fireworks, however, the show did go on, just a bit earlier than dusk, due to the inclement weather.

WAILON – A Tribute to REAL Country Music – concert has been added to the event schedule. This concert was not part of the budget plan, so it will be a ticketed concert. The concert will be held on Saturday, September 2 at the Indian Lake Theater at 7PM. 230 tickets will be sold. After expenses, the proceeds with benefit the ILCDC SIB Project. More information about the band is available at <https://wailonband.com/>.

OK Slip Falls Hiking Challenge was launched at the end of June. To date we have had six people stop at the Welcome Center to claim their patch. Hikers have been from Greenville, Tillson, Blasdell, Apple Valley, NY and Burnsville, MN.

Food Truck/ Catering Solicitation – A letter went out to all food providers to determine their interest in providing food service at our various events. The only business interested in participating was The Café & Shop at Mountain View Adventures LLC. She is all set up to provide her catering license and insurance. We plan to highlight this new addition of food service prior to each concert.

Marketing

There are continuous posts on all four of our social media sites. The e-newsletter is delivered to inboxes weekly when relevant content is available.

Social Media: I continue to encourage all to FOLLOW and LIKE the Town on social media sites. Did you know we have 6,400 followers and 5,500 likes on Facebook? Pretty impressive since this site was established in June 2021.

Grants

TOWN OF INDIAN LAKE

P.O. Box 730 Pelon Road
Indian Lake, Hamilton County
New York 12842

**Town of Indian Lake Building Permit Report
June 2023**

DEC High Hazard Rehabilitation Grants – submitted a total grant project of \$177,958.63 with a request for \$100,000. DEC rec'd six applications (including ours) for this project and all were declined for one reason or another. For us, we need to submit an annual certification and updated Emergency Management Plan. Once we complete, we'll be issued an award letter.

The next round of Consolidated Funding Applications to NYS is July 28. With LaBella's assistance, we will be applying for The LWRP for the Townsend Project and WQIP for the Adirondack Lake Dam. More information will be confirmed after a series of grant discussions to finalize project costs and matches required.

We received an award of \$1,750 from NYSCA's Statewide Community regrant to support the 2nd Annual Indian Lake Paint Out! three-day plein air workshop with Bob Stump.

DASNY/SAM Grants – Senator Walczyk's office continues to try to track down any leads they can regarding this rant money owed to us. Today I was told the Democratic Majority Leaders are holding this money up.

We recently submitted reimbursement vouchers to DEC for Hamlets Gateway Project - \$16,024 and Byron Park/Branding - \$39,075. Total reimbursement=\$55,099.

We are also in the process of requesting a modification for another old DASNY SAM Award which was to be used for Equestrian Trails. This project will not be realized so we are hoping the funds can be reallocated to the mountain bike trails. Grant amount is for \$50,000.

Meetings

- 6/2/23 – Southern Adirondack Childcare Network
- 6/7/23 – Kerri with the 90 Miler
- 6/7/23 – LaBella Grant Meeting

Monthly Indian Lake Chamber of Commerce Summary Report – June 2023

- The foot traffic into the Welcome Center has continued to pick up in June with a 30% increase from last month.
- The Chamber hosted a insurance information event on June 27th, with various people attending. The purpose of this event is to inform people and businesses of the opportunity to obtain health insurance along with dental and vision insurance from the North Country Chamber by being a Indian Lake Chamber member. If people missed this event, the Chamber has information packets that can be picked up at the Chamber office.
- The Chamber's Poker Paddle event is scheduled for July 15th at Byron Park and we are preparing for this event. This year's event will be bigger and better than before with more people registering. So far we have over 70 people registered and most people will register the week before as they try to see how the weather will be on Saturday July 15th. The beer truck will not be able to be here as the business had an unexpected thing come up.
- Work is still continuing on making improvements to the Chamber's website with listing new Chamber members on it. This work has been in conjunction with ROOST and our relationship with ROOST has been great.
- The Chamber is working with Al Pouch and DEC to create a new hiking map. Meeting with DEC on July 10th to add biking trails to our new map and update all hiking locations. The finished product will be available soon as these are hot items.
- The Chamber has an intern here for the summer. His name is Gareth Church. Please stop by and say "hi" to him. He is learning on our Chamber operates and applying principles he has learned in college to our every-day operations.
- The Chamber continues to be a positive face of the community with providing information to visitors and helping cultivate economic boosts to local business.

Indian Lake (T), Hamilton Co.**

Dear Supervisor Wells:

Enclosed is a copy of the inspection report from the announced State Pollutant Discharge Elimination System (SPDES) compliance inspection that was conducted on Wednesday, June 21, 2023, in the presence Chief Operator Patrick Mahoney. The inspection resulted in a **satisfactory** overall rating.

I can be reached at (518) 897-1265 or via email at steven.rose@dec.ny.gov if you have any questions or concerns.

Sincerely,

Steven Rose

Resolution # 13 - 2023
The Town of Indian Lake
Lake Adirondack Dam Repair
WQIP AUTHORIZING RESOLUTION

Offered by: _____

Seconded by: _____

WHEREAS, the Department of Environmental Conservation has made funds available for dam repair and rehabilitation through the Water Quality Improvement Program (WQIP) through the 2023 Consolidated Funding Application, and

WHEREAS, the Lake Adirondack Dam is a Class C high hazard dam with several urgent and persistent issues that have been cited by DEC and noted by the Town, and

WHEREAS, the Town has made significant investments in the study and design of dam repairs that will address the Lake Adirondack Dam issues, resulting in certified and stamped Engineering Report and Plans and a work permit to perform upgrades to the specification of the Plans that is valid through 2025, and

WHEREAS, the costs associated with making the dam improvements to the specifications of the Plans and providing for the long-term stability and soundness of the dam are a financial commitment that would unreasonably burden the Town and its residents without additional funding sources to offset the project costs, and

WHEREAS, the Town of Indian Lake is seeking funding through the 2023 WQIP application as an additional source of funding to complement the \$2.5 million funding committed to the Town through the DASNY SAM program,

NOW THEREFORE, IT IS RESOLVED, that Town of Indian Lake authorizes and empowers the Town Supervisor, to sign and submit a grant application to the Department of Environmental Conservation and any associated documents; and it is

FURTHER RESOLVED, that this Resolution shall take effect immediately.

The question of the foregoing Resolution was duly put to a vote, the Town Board voting as follows:

Resolution # 13 - 2023

The Town of Indian Lake

Lake Adirondack Dam Repair
WQIP AUTHORIZING RESOLUTION

Offered by: Supervisor Wells

Seconded by: Councilman Rathbun

WHEREAS, the Department of Environmental Conservation has made funds available for dam repair and rehabilitation through the Water Quality Improvement Program (WQIP) through the 2023 Consolidated Funding Application, and

WHEREAS, the Lake Adirondack Dam is a Class C high hazard dam with several urgent and persistent issues that have been cited by DEC and noted by the Town, and

WHEREAS, the Town has made significant investments in the study and design of dam repairs that will address the Lake Adirondack Dam issues, resulting in certified and stamped Engineering Report and Plans and a work permit to perform upgrades to the specification of the Plans that is valid through 2025, and

WHEREAS, the costs associated with making the dam improvements to the specifications of the Plans and providing for the long-term stability and soundness of the dam are a financial commitment that would unreasonably burden the Town and its residents without additional funding sources to offset the project costs, and

WHEREAS, the Town of Indian Lake is seeking funding through the 2023 WQIP application as an additional source of funding to complement the \$2.5 million funding committed to the Town through the DASNY SAM program,

NOW THEREFORE, IT IS RESOLVED, that Town of Indian Lake authorizes and empowers the Town Supervisor, to sign and submit a grant application to the Department of Environmental Conservation and any associated documents; and it is

FURTHER RESOLVED, that this Resolution shall take effect immediately.

The question of the foregoing Resolution was duly put to a vote, the Town Board voting as follows:

	Yea	Nay
Brian Wells, Town Supervisor	Yea	
John Rathbun, Councilperson	Yea	
Jake Maloney, Councilperson	Yea	
D Sean Curry, Councilperson	Absent	
Kristina Eldridge, Councilperson	Yea	

I hereby certify that the above is a true and correct copy of Resolution # 13 was passed by the Indian Lake Town Board at a meeting held on July 10, 2023 and that Resolution # 13 of 2023 is in the official Town Clerk Resolution Record Book.

Proposal Summary: Military Tribute Banners Indian Lake, NY

Objective

The purpose of the military tribute banner program is to say thank you, show appreciation, and honor local community members who have ties to Indian Lake, NY. The program will highlight past service members and current military personnel in the United States Armed Forces. The Military Tribute Banners not only honor our heroes but also offer attractive curb appeal and bring a sense of community pride and patriotic unity to the Town of Indian Lake, NY. All communities want to celebrate their local heroes and Indian Lake is no exception.

Program Considerations

Any resident of Indian Lake, NY will be invited to sponsor a veteran or an active-duty service man or woman through this program. Our intention is to exhibit the banners from Memorial Day to Veteran's Day for two years. After two years veterans and military personnel will be rotated out so all heroes with ties to Indian Lake will have the opportunity to be honored. The number of banners displayed will depend on how many utility poles are approved. Banner placement on poles will be done by a lottery system. Families will be chosen on a first come first serve basis. A meeting will be scheduled at the American Legion to garner interest from military families, gather information, and discuss ideas for the banner program.

Locations of Banners

The Military Tribute Banners to be placed on utilities poles throughout Route 28, Route 30, and Big Brook Rd. in the town of Indian Lake, NY. We will contact National Grid for permission to use their utility poles and will await approval.

- Possible to use Aluminum light poles on bridge near Lake Abanakee – Double Brackets
 - Light Pole Numbers: 4, 33, 2, 1, 37, 41
- Utility Poles:
 - Rt 28/Main St.
 - **Pole #'s Currently Flagged:** 18 ½, 22A, 10/1/2000/4863/8, 57/1, 55, 12/3000/18A, 1/28, 1/31,
 - **Pole #'s with Flag Brackets:** 9/L2000/506, 6/L3000/5, 5/3, 1/L3000/5, 4/1/L3000/10, 1/1, 1/10/25K/3000/6A, 7/3000/13A, 5/3000/1/1
 - **Possible Poles (no brackets/no flags):** 17/3000/23A, 22/3000/27A, 26 ½, 4/1, 11A, 6 ½/40K, 198, 3000/30, 3000/29, 16/3000/22A, 15/3000/21A, 11/3000/17A

- Rt 30
 - **Pole #'s Currently Flagged:** Corner of Big Brook Rd. (no pole #), 26S, 25, 2/10
 - **Pole #'s with Flag Brackets:** 2/1/3001/1/40K, 5/3/3001/3, 2/5/3001/5, 8/3001/8, 83/114 3/8
 - **Possible Poles (no brackets/no flags):** 4/3001/4, 6/3001/6, 25/3001/7
- Big Brook Rd.
 - **Possible Poles (no brackets/no flags):** 3, 7, 8, 10, 9/11, 17, 18/23, 22/28 ½, 23/30 1/8, 37-1, 45

Design of Banner

The Military Tribute Banner will include:

- Military Photo
- Branch of the military served.
- Time Period/Era served.
- Banners will be ordered to fit current brackets already attached to utility poles.
- A Sample banner has been ordered.

Cost/Fundraising

Cost of the banners typically run from \$125 to \$250. Depending on type, design, and any necessary hardware. Currently, we are raising funds to reduce the cost of this program for the families of veterans and military personnel. Fundraising effort for this program will be ongoing. If Military Tribute Banners are not approved by the Town of Indian Lake, NY, all GoFundMe donations will be given back to respective donors and any cash donations we are unable to track will be donated to the American Legion of Indian Lake, NY. Current fundraising efforts include:

- GoFundMe page is set up: <https://gofund.me/ae4b9d8>
- Car Wash/BBQ Fundraiser is set up for Saturday, July 15, 2023, at the American Legion from 11AM to 4PM sponsored by Stewart's Shops.
- Bingo on Tuesday nights (Location: TBD) Tentative Dates – 7/25, 8/1, 8/8. Prizes sponsored by local businesses.
- Pancake Breakfast (Location: TBD): Tentative Date – 8/26
- Bake Sale Saturday, September 16, 2023, at the American Legion
- Our goal is to cover half the cost through fundraising. The other half will come from the military family wishing to sponsor an honoree.

Timeline

Goal is to have Tribute Banners displayed within the community by Memorial Day 2024

Sample Requirements

TOWNSHIPS OF BLACK BROOK & JAY HOMETOWN HEROES BANNER PROJECT

Mission
Created by the Townships of Black Brook and Jay to honor and recognize Townships of Black Brook/Jay servicemen/women and their families who have served in the United States Armed Forces.
