INVASIVE SPECIES – A box for invasive species has been completed. It will set out for use next Spring at the Byron Park boat launch.

PLANT SURVEY – the plant survey was conducted in August. The report is pending.

OTTERS – there has been an increase in otter sightings on the lake which is a positive sign regarding the health of the lake.

BOGS – bog removal is completed for this year.

LAKE GEORGE/LAKE CHAMPLAIN REGIONAL PLANNING BOARD – contact has been made with this regional planning board. The WAB is interested in a future meeting to determine services the regional board can offer such as assisting in potential grant funding and the possible development of a lake management plan.

WAB APPOINTMENT – John Layton's appointment to the Weed Advisory Board ends this year. If anyone is interested in serving on the WAB there is an application form on the Town of Indian Lake website to be submitted to the Town. The WAB asks that it be copied on the application by e-mailing to the WAB e-mail address above.

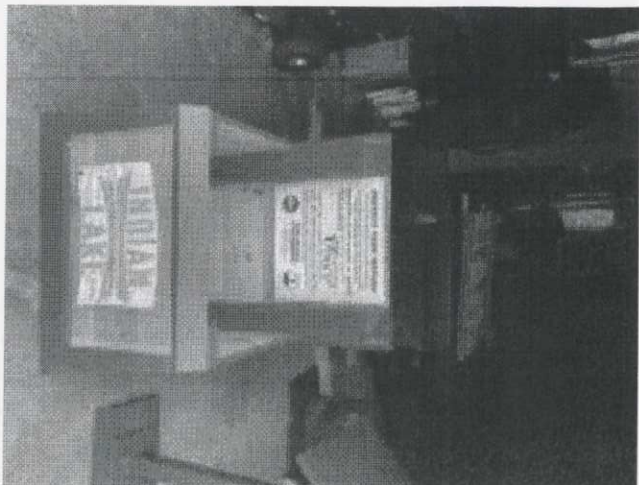

E-MAIL ADDRESS UPDATE/ADDITIONS – if existing addressees on the WAB e-mail list have changes or if anyone wishes to be added to the WAB e-mail list please e-mail the change/addition to the WAB e-mail address above.

MOTORBOAT SAFETY - a reminder that in order to operate a motorboat in New York, regardless of age, a boat safety certificate must be obtained by January 1, 2025. There are in-person and on-line available courses to obtain the certificate. Check the New York State website for specific information.

Next Meeting – To be determined. Submitted by Vin Reilly.
