

A TOWN BOARD MEETING was held on April 15, 2024 at 7:00 p.m. The location was the Town Hall, Town of Indian Lake, Pelon Rd, State of New York, County of Hamilton.

Supervisor Wells brought the meeting to order. All said the Pledge of Allegiance. Supervisor Wells called for the Roll with the following Board Members answering:

Roll Call: Councilman Mahoney	Here
Councilwoman Eldridge	Here
Councilwoman Howard	Here
Councilman Rathbun	Here
Supervisor Wells	Here

Minutes

Councilwoman Eldridge made a motion to accept the minutes of 3/11/24 and 4/2/24 as presented. Seconded by Councilman Mahoney.

Roll Call: Councilman Mahoney	Aye
Councilwoman Eldridge	Aye
Councilwoman Howard	Aye
Councilman Rathbun	Aye
Supervisor Wells	Aye

Department Head Reports/Additions

Supervisor Wells thanked Christine Pouch, E. D.M. and Events Manager, and all volunteers for their work on the Eclipse Event. He stated numerous people approached him thanking the Town for hosting this event. He also stated how everyone who came was so respectful of the Town. He stated that there was no clean up needed. Whatever they came with, they left with.

Supervisor Wells thanked Greg Puterko for handing in a Department Report.

Patrick Mahoney, Superintendent of Water and Sewer, approached the Board, stating that the pump went bad at the East Plant (sewer) and had to be replaced. He stated he had an extra one so it is fixed but he will need to purchase another one. He stated that in 2021 the cost was \$16,000.00 but he does not know how much it is now. He asked if this could be taken out of his reserves.

Greg Puterko, Highway, approached the Board stating that he needed to purchase culverts. He stated he had two quotes, one from NY SOGS (under state contract) in the amount of \$13,719.39 and one from JD Smith, in the amount of \$15,954.00. Supervisor Wells told him he needed three quotes. Greg will get another quote.

Public Comments and Concerns

Helen Glass reiterated that Christine did a tremendous job on the eclipse event. Helen also stated the Town Website has not been updated. It was explained that the company needs to do the updates and they will be called. Councilman Howard had a list of things that need to be updated on the site. She gave the list to Supervisor Wells.

Mary Prusko approached the Board asking when the Department Rec. Crew, would be working on the blow down on the snowmobile/hiking trails. Bill LaPrairie, Department head of Parks and Rec., explained that he cannot work on the trails until the date that is on the TRP Permit. He stated there is a time frame as well before he can take a motorized vehicle on the trail. He asked which trail they were referring to; it was Elm Island Trail. Bill explained that is not our trail, that is DEC.

Abby Eldridge approached the Board thanking them for supporting the Ski Program. She stated that they had 53 skiers and snowboarders. She asked that the Board continue their support for the program. Letter and lesson breakdown enclosed.

Events – Procurement Policy -Bump up to \$5,000.00

Supervisor Wells asked to have the events procurement amount upped to \$5,000.00. After looking at the policy he felt it was okay as is, this was tabled.

Solid Waste – wrong amount (should have been raised to \$75.00 not \$74.00)

Supervisor Wells told all he misspoke at the last meeting. The solid waste was supposed to be raised to \$75.00 not \$74.00. Councilwoman Howard made a motion to raise it to \$76.00 for administrator fees. Seconded by Councilman Rathbun.

Roll Call: Councilman Mahoney	Aye
Councilwoman Eldridge	Aye
Councilwoman Howard	Aye
Councilman Rathbun	Aye
Supervisor Wells	Aye

Fema - Awarded

Supervisor Wells let all present know that Fema has approved the work that was done on the Water Plant Road Culvert. The approval was in the amount of \$252,445.57. Letter attached herein.

Thank You Letter – Gem Radio

Supervisor Wells told all we had received a thank you letter from Gem Radio. Letter attached herein.

Tax Collector Audit

Supervisor Wells reported he had done the Tax Collector Audit and found everything to be in good standing.

Executive Session

Supervisor Wells called for an Executive Session at 7:10 p.m. for the purpose of discussing personal. Seconded by, Councilwoman Eldridge. All in favor. Motion carried.
Councilman Rathbun made a motion to exit Executive Session and resume regular Board Meeting at 7:31 p.m. Seconded by, Councilman Mahoney. All in favor. Motion carried.
No action taken during Executive Session.

Begin Process – change to appointed Town Clerk/Highway Superintendent

Supervisor Wells reported to all that the Town Board is beginning the process to change to an appointed Town Clerk and Highway Superintendent. He stated this will be done by Mandatory Referendum. He explained that the Board will make a Local Law, set a public hearing, make a decision that night and send it to the Board of Elections to get it put on the ballot. Discussion was held. He stated there are some advisory opinions that state you can not change the term of an elected office, but it is a gray area. He explained that if this is the case and it did get on the ballot this year, the appointment would not start until 2026. Patrick Mahoney asked why we would think it's better to take away the public's right to vote and let the Board decide this themselves. Supervisor Wells stated it is not taking away the ability for the public to vote as they will be voting on the law during the election. It is up to the public to vote on that. Councilwoman Howard stated it is a good idea as it will eliminates two administrative positions down to one and that will save the taxpayers money. Patrick asked if she thought by being appointed, it will cost less for a Highway Superintendent to be appointed compared to what he gets now? Councilwoman Howard stated that there would not be 2 appointments, such as Parks and Rec. and a Highway Superintendent, you would have 1 appointment. Pat asked if she was looking to have 1 person take over for both Parks and Rec and Highway. Councilwoman Howard stated yes. Pat asked, then you are looking toward a Department of Public Works? She stated yes. Tim Springs approached the Board stating this had come up years ago, but the consensus was that everyone wanted to be able to vote for the position. He asked what happens if you start appointing for these positions? He stated this is a political problem and will cause more grief for your Board. Discussion held on the number of appointed Highway Superintendents in the State. Tim Spring stated very few! Tim Spring stated he

feels this will be strongly opposed. Discussion held. Andy Coney questioned if the Town Clerk and Highway would be separate on the ballot. Supervisor Wells stated yes.

Adirondack Dam Project – update

Supervisor Wells reported to all that he had a meeting with CD Perry and Labella and told all we will start seeing a physical presence in May. He stated that he had discussed access to the Lake and access to the pavilion. He stated that they understood we needed to be able to get property owners boats on the water and off the water at the end of the year. As soon as we have more information, he stated he would get it out to the weed district. Discussion held.

Hire Full Time Deputy

Supervisor Wells reported to the Board that I will be retiring in 2024 and we would like to hire a full-time deputy in June for training so as to make a smooth transition. Discussion held. Councilwoman Howard said she could not vote on this without knowing my official end date. She voted no. Supervisor Wells stated this is not setting a precedence as we have brought people in 6 months earlier for training. He stated he feels we do need to bring someone in and told all present that the deputy is appointed by the Town Clerk and what we are looking for is funding as the Board must approve funding. He told all this person will be leaving a full-time job to do this in hopes of running for election (or now being appointed if this should pass) as a Town Clerk. Discussion held. Supervisor Wells stated that he has no problem transferring money. Supervisor Wells made a motion to hire a full time Deputy to begin June 1st – December 31st, 2024. Failed to get a second. Motion failed.

Trash Days

Supervisor Wells announced that the annual trash day will be June 4th and 5th.

Supervisor Comments

Supervisor Wells stated that he is trying to work with Cedarwood to get them up here to do the test as the Lake is turning over and Patrick Mahoney, Superintendent of Sewer and Water, stated this is the time to do the test.

Supervisor Wells reported to all that he has been working on the permits for the stump dumps. He stated the paperwork had not been done and DEC is threatening to close them down. He told all he has left numerous phone calls and is awaiting a call back.

Supervisor Wells reported to all that when Kimberley Crandall was hired, she had been promised a raise of \$2,000.00 after her 6-month probationary period was over. Supervisor Wells stated she is doing an outstanding job and would like to give her that raise now. Supervisor Wells made a motion to move up the raise and give it to her in May. Seconded by Councilwoman Howard.

Roll Call: Councilman Mahoney	Aye
Councilwoman Eldridge	Aye
Councilwoman Howard	Aye
Councilman Rathbun	Aye
Supervisor Wells	Aye

Supervisor Wells reported to all that it is time to choose Citizen of the Year. He also reported to all that the Town will be holding a Monarch Festival June 15th.

Supervisor Wells reported to all the Stewarts had given the Town \$1,500.00 toward the youth program. Letter attached herein.

Supervisor Wells reported that we are working through the Bonding Process.

Supervisor Wells told all that the Indian Lake Association is donating \$300.00 for the Eclipse Event.

Supervisor Wells reported that 4 Rivers Alliance had given the Town a donation of \$500.00 for equipment at the ski hut.

Allan Van Hoff asked the Board if they could do anything to help Elderwood (Nursing Home in North Creek) to stay open. Supervisor Wells told all to write letters to your State and Government Leaders.

Other Town Business

Councilman Rathbun reminded all that Community Pride Day will be May 1st. Councilman Rathbun also approached the Board asking for their continued support for Weed Districts Septic Cleaning Program. The Board was in full support.

BILLS AND ABSTRACTS

General, Highway, Water 1&2, Sewer, Library and Landfill

3778 – 38827. \$39,389.74
38843 – 3900 \$117,190.79

Supervisor Wells made a motion to pay the bills and abstracts as presented. Seconded by, Councilman Rathbun.

Roll Call: Councilman Mahoney	Aye
Councilwoman Eldridge	Aye
Councilwoman Howard	Aye
Councilman Rathbun	Aye
Supervisor Wells	Aye

Executive Session

Supervisor Wells called for an Executive Session at 8:20 p.m. for the purpose of discussing Contractual obligations. Seconded by, Councilwoman Eldridge. Greg Puterko and Tim Spring were asked to stay. All in favor. Motion carried.

No action was taken.

The motion to adjourn executive session was made by Councilwoman Eldridge at 9:05 and was seconded by Councilman Mahoney. All in favor. Motion carried.

Supervisor Wells made a motion to adjourn meeting at 9:06p.m. Seconded by, Councilwoman Eldridge. All in favor. Meeting adjourned.

Town Clerk

Building maintenance and operations monthly report March 2024

During the month of March, we had three heavy storms that brought anywhere from 8 to 12 inches of snow, we plowed, shoveled, salted and took care of all town properties even assisted the highway with a little bit of parking lot plowing. With all the snow it was enough to keep trails open but unable to groom due to the warm temperatures that we had early in the week. All of our groomers and drags have been brought back to town, the drags have been serviced and we will service the tractors in the warmer weather. The snow allowed us to get back out on the trails and continue cutting brush and work on some of the bad spots that we have from year to year.

The fire alarm system at the museum went down and we are in the process of looking for a replacement system, the one we have now is out of date and we can not get parts for it anymore. Mahoney notified who is in charge of that system has quoted me a price on an upgrade.

We had two burials this month one at the Cedar River cemetery and one at the Benton cemetery, both were very easily accessible and we were able to do them without a problem. We will have some work to do after the ground bars up, cleaning up graveside, cutting some brush and trees that have fallen.

Part runs were made to Glens Falls, Lake Pleasant, and TC MURPHY. Trucks were taken to speculator for repairs at O'Connor garage, new exhaust system was put on the 2017 Chevrolet truck.

BTJ season has started and we have started looking at some of our warmer streams and beaver damn areas.

Don from the transfer station took a week off and everyone in the department took one day covering for him while on vacation.

The Internet and phone lines running up to the Ski Hut were ripped off during the wind and snowstorm that we had during the middle of the month, a work ticket was issued and Frontier was able to get here on a Saturday and make the repairs, I was here and helped install some of the new equipment in the office and up on the ski hut building.

Went to school to meet with the Town of Inlet to discuss the plans for the blackly challenge that is the second week in June, this year's race ends here.

Thank you
Bill LaPrairie
dept head building maintenance and operations

Town of Indian Lake water and wastewater report for March 2024

Required testing was completed daily at all plants.

DOH and DEC monthly samples were submitted to the lab.

Plow and shovel the yards as needed.

We replaced one of the circulator pumps at the IL water plant.

We pulled well pump #4 and replaced the wire from the pump motor to the emergency disconnect.

The 2 inch main on Chain Lakes Rd. had a leak and was repaired.

At the wastewater plant we cleaned out our sludge holding tank.

While in the tank we did a inspection of the piping and defusers.

The drying bed was shoveled off and raked.

H-200 was serviced and had a tire rotation.

We had to run Abanakee Dam by hand for a couple days due to a tree across the power lines.

The office floor at the wastewater plant has been repainted.

Thank you
Patrick Mahoney

April 15, 2024, Town of Indian Lake Board Meeting Economic Development, Marketing & Events Report

Community/Economic Development

ILCDC's SIB (Sabael, Indian Lake, Blue Mountain Lake, Re-Vibe) Committee – The core approved allocating funds from the ILCDC SIB account to execute new walking tour brochures for the hamlets of Blue Mountain Lake and Indian Lake.

NPT (Northville-Plaid Trail) turns 100 on June 1, 2024 –No new updates currently.

Events

Adirondack Sports Expo in Saratoga Springs on Saturday and Sunday, March 16-17, 2024, was a huge success. I spoke directly to 552 visitors about the Town of Indian Lake and Hamilton County. The most popular take aways were brochures highlighting the following: Birding and Fire Tower Challenges, Indian Lake Town and Hiking Maps, Solar eclipse information, and logo stickers and pencils. Many asked questions re: the distance from Saratoga to Indian Lake and places they could stay at. I would recommend going again. It was also a bonus to be located next to the Town of Newcomb's booth as we could help promote each other as a neighboring 5 Town Partner.

Easter Egg Hunt on Saturday, March 30 was a huge success. It was so busy, and jam packed in the library it was difficult to count the number of attendees. The Easter Bunny also made an appearance and delighted the youngsters. 500 filled eggs were found.

Solar Eclipse on Monday, April 8 was an amazing day and experience. I was so pleased to hear so many comments from our visitors thanking us for our event. All food trucks were well received and needed as our restaurants could not accommodate all the visitors' dining needs. We estimate there were approximately 5,000 visitors. Many thanks go out to so many people including our emergency management teams, our Town employees and department heads, our planning committee, our Volunteer Ambassadors, and our cleanup crew. Suggestions for the future were: handicapped parking area and merchant coupons given out to attract visitors to return.

The two-day Artisan fair was well attended, and the vendors were very happy with their sales.

Up Next:

Community Pride Day –Cleanup day is May 1, 2024.

Great Adirondack Yard Sale is May 24-25.

Memorial Day Parade on May 27 is in Inlet this year.

Citizen of the Year – Solicitations are out in the public now, with selection announced on June 10, 2024, at the Board Meeting. Application forms are available online at www.indianlakeadk.com, at the Welcome Center and Town Hall.

Black Fly Challenge on Saturday, June 8 ends in Indian lake this year. Race is maxed out at 1,000 riders.

Monarch Fest is Saturday, June 15.

RE: FEMA-4472-DR-NY
 Indian Lake (Town of)
 PA ID 041-37374-00
 Project Worksheet 579 (Grants Portal Project 134778)
 Scope of Work Change

Dear Deputy Commissioner Gonzales:

In a request dated October 6, 2023, you recommend FEMA approve a scope of work (SOW) change for the project identified above. FEMA approves the request and will amend PW 579, as discussed below.

The Subrecipient requests a SOW change to replace a CMP arch pipe culvert with a "bridge style" culvert, using steel sheet piles for abutments, steel stringers, and a wood laminated surface deck.

The Subrecipient seeks additional funding to address the above SOW change, increasing the approved project total to \$252,445.57.¹

After review, my team determined your request meets FEMA's regulatory and policy requirements.² For detailed information associated with this action and project, please refer to the system of record.

Should you have any questions or require further assistance, please contact me at (518) 396-3428 or trevor.karl@fema.dhs.gov.

Sincerely,

¹ This is the 100% approved project amount, and so includes both the federal and non-federal cost share for the subject PW. In addition, this amount may change to account for insurance proceeds received by the Subrecipient for this project, and/or the result of additional eligibility reviews performed by FEMA prior to project closeout.
² The approved SOW and funding must comply with all laws, regulations, policies, guidance, executive orders, and/or adopted codes and standards applicable to FEMA's Public Assistance program, including those relating to environmental and historic preservation, hazard mitigation, and/or insurance.

Waco Livingston and Town of Indian Lake;

Thank you for sponsoring our performance of ILI for Smolde. The audience that night was amazing and well over 1000 people. We appreciate your support for our little theater group.

Sincerely,
Robert Jay
John Kinoshuwaels

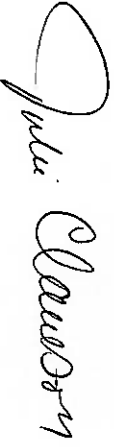

AS YOU ALL KNOW, I AM GOING TO BE RETIRING THIS YEAR.
I HAVE PUT THIS OUT THERE FOR SOME TIME NOW AND HAVE HAD NUMEROUS INQUIRES,
BUT NO TAKERS UP UNTIL NOW.

I HAD SOMEONE APPROACH ME WHO WOULD LIKE TO RUN FOR TOWN CLERK, OR, BE
APPOINTED IF THE LAW PASSES THE PUBLIC REFERENDUM (I SPOKE WITH HER AFTER THE
APRIL 2ND MEETING).

SHE OF COURSE WORKS FULL TIME, THEREFORE I DO NOT WANT TO NAME HER YET, AND
WITH THAT BEING SAID, SHE CAN NOT QUIT THAT JOB TO ONLY WORK PART TIME,
THEREFORE, I WOULD LIKE TO BRING HER ON IN JUNE AS A FULL TIME DEPUTY FOR THE REST
OF THE YEAR FOR TRAINING AND USE THE MONEY THAT WAS PUT ASIDE IN THE
SUPERVISORS' BUDGET FOR TRAINING.

TRAINING WAS NOT AVAILABLE TO ME WHEN I RAN FOR THE OFFICE AND IT WAS A VERY VERY
DIFFICULT THAT FIRST YEAR!!! ANY KIND OF TRAINING IS NOT AVAILABLE UNTIL APRIL,
PEOPLE PASS AWAY, GET MARRIED, WANT FISHING AND HUNTING LICENSES BEFORE MAY
AND OF COURSE TAXES BEGIN IN JANUARY.

WATER BILLS BEGIN JULY 1ST, BEACHES OPEN IN JULY, HUNTING LICENSES BEGIN IN AUGUST,
SO IT WOULD BE A GREAT TIME TO BRING SOMEONE IN.
MUCH HAS CHANGED IN THE TOWN CLERK OFFICE IN THE LAST 21 YEARS, AND IT CERTAINLY
MAKES SENSE TO AT LEAST TRAIN SOMEONE ON THE BASICS.

Kimberley Crandall
Town of Indian Lake
117 Pelton Rd
PO Box 730
Indian Lake, NY 12842

Dear Kimberley:

We are pleased to inform you that Stewart's Holiday Match is donating \$1,500.00 to Town of Indian Lake. Stewart's Shops has collected and matched donations in our shops from Thanksgiving until Christmas since 1986. We want you to know that half of the enclosed check comes from our customers, and Stewart's Shops doubles every donation.

This season, we received 1,861 applications requesting over \$5 million in support while we had just over \$2 million to donate. With so many worthy organizations, we were forced to make some especially hard decisions, focusing on needs versus wants.

The Stewart's Holiday Match Program has now allocated over \$38 million since the program's inception. We credit the success of this program to our customers for their generous contributions, our dedicated shop Partners who worked diligently to collect the funds, and to our media partners who helped spread the word throughout our many regions. All Stewart's Holiday Match funds support children under 18 years of age in our market areas.

To generate interest and support for your organization, as well as the Holiday Match Program, we encourage you to contact your local media regarding your Holiday Match Grant and share what you hope to accomplish with it. If you announce the donation via a press release, your website, or social media post, please consider adding our link www.stewartshops.com/community-giving to help others learn about our contributions program. We ask that you recognize this donation as a Stewart's Holiday Match Grant.

Often, we like to highlight our Holiday Match grants on our shop TVs, website, and social media. We ask that you email photos and a description of how this donation was used to photo@stewartshops.com (.jpg or .png preferred) with your organization's name in the subject line.

We request that you cash your check as soon as possible as it will expire in 180 days. If you have any questions regarding the Stewart's Holiday Match Program, please do not hesitate to call us at 518-581-1201 ext. 2190.

We Are Closer To You,

Your Stewart's Holiday Match Team
